## New Work Stations

### Jamestown Park & Recreation

If you are interested in a little recreational gardening, Park and Rec. is looking for you. They would like someone to care for the flowers at the Bunker. Also twigs need to be picked up on the East side.

Some other needs are tending to flowers and trimming hedges at

Hillcrest Golf Course on an as needed basis.

The picnic shelters in the parks are rented for family reunions, receptions etc. Would anyone be interested in wiping the tables, sweeping floors and sprucing up prior to the event?

### National Buffalo Museum

They are looking for some volunteers to come in and dust &/or clean displays. They also need some extra help greeting and being hospitable when scheduled buses arrive.

Contact *Deb* if you are interested in these opportunities at: 252-2882

## Dear RSVP volunteers

We had 767 hours of volunteer time recorded in April. Hooray for you! I have 17 work stations that would love to have your help. Contact *Deb*, if you need

some ideas for volunteer opportunities or if you have any questions.

Be sure to take your summer company to the

Frontier Village—it's looking better than ever. You can count your volunteer hours in the Schoolhouse or the Writers Shack.
